**Subject:** Autopsy Witness-Dr. Karnei  
Please provide to Tim and I as soon as possible the present address and telephone number of Dr. Robert Frederick Karnei. He was a pathology resident at Bethesda in 1963 (i.e., a "Navy Doctor"), and we have been tasked to interview him "soonest". Later he became Director of the Armed Forces Institute of Pathology, and retired from Military Service on July 1, 1991.
