Subject: Loch Johnson's "Season of Inquiry"
I read this at one point, at your direction. I wanted to look over it again. I thought I recalled turning it in to Eric who said he had to return it to the LOC. Eric thinks you may have subsequently taken it out again. Do you have it and, if so, can I borrow it? If you don't have it, Eric has graciously agreed to secure it for me next time he visits the LOC.
