**Subject:** CANADIAN DOCUMENTS

Dear Mr. Nelson: Thank you for your two recent e-mail messages of February 15, 1996 and March 6, 1996 to Executive Director David Marwell regarding Canadian documents relative to the assassination of President Kennedy. Mr. Marwell has asked me to respond to you. The Board has received many leads and suggestions for action from interested parties throughout the world. We are attempting to process and carefully review all correspondence which we have received, including what you have sent to the Review Board. We would be interested in receiving any additional information which you have regarding Canadian documents. As you may be aware, the JFK Act does address acquiring assassination records from foreign governments. Again, thank you for your e-mail messages and for your interest in the work of the Review Board. We look forward to hearing from you in the near future. Sincerely, Thomas E. Samoluk, Esq. Associate Director for Communications
