**Subject:** Request for NASA Tour/Visit

Jeff - Anything you can do for Jeremy is appreciated. Thanks.To: Tom Samoluk/ARRBcc: From: Jeremy Gunn/ARRB Date: 03/18/96 03:14:15 PMSubject: NASA I will be in Florida from March 24 through March 29. During that time, I and 4 others would like to visit Cape Canaveral. If your NASA contact might be able to make arrangements for a tour or some other such visit, it would be greatly appreciated. The ideal dates, in order of preference, would be March 29 (Friday), March 28, March 26, March 25. (According to NASA, the currently scheduled next launch is this Thursday, March 21). If that launch were for some reason delayed, it would be very nice to see a launching, and we could adjust our timing as appropriate.
