Subject: 3 NARA-referred IRS-related documents from the HSCA collection

There are three as-yet-unprocessed IRS referrals in the HSCA collection which I'd like to try and clear. Toward that end, I'll be drafting a cover letter to the agency enclosing the three records and indicating that the Board intends to process them at its April meeting. The contact name I have at IRS is a guy named Squires, who was Matt & Kris's (NARA) contact during the original referral process. He may not be the right guy to send this letter to... Two questions: 1) do you have another/better contact?, and 2) would you mind if I copied you on the draft letter I forward to Jeremy since he may wish to include IRS-specific language (given the agency's unique status under our statute) and you might me the most appropriate person to draft it? Many thanks!
