Hostyl called Mr. Hosty in Florida this morning and although he was not at home, I talked to his wife for  
several minutes about whether Mr. Hosty would be visiting Washington, Philadelphia, or anywhere closer than  
Florida in the near future. His wife told me that they are quite eager to come to Washington to visit the  
Review Board's offices and the JFK Collection at NARA. Unfortunately, they do not have a trip scheduled. She  
said that they will be in Florida until the end of April, when they will drive to Kansas City for the remainder of  
the spring, summer, and early fall. She assured me that, if they did come to the area (including Philadelphia),  
they would call to arrange a visit.
