I was hoping that we could meet today or tomorrow to discuss the issues mentioned below. As a result of some meeting cancellations, I am free anytime, except for tomorrow morning, which is bad for me. Issues Deeds of Gift After viewing the Oakes tapes and discussing the relevant issues with both of you, I thought it was sitting down together. New Orleans Hearing Questions: Do we want to put out a one page media advisory letting interested members of the media know about the hearing? Assuming there is media coverage following the hearing, can we assume that Jeremy will respond for the Board, not Art? Will Art be okay with that? What should our talking points be (win, lose, or taken under advisement)? We need to be consistent because in addition to coverage in New Orleans there will probably be inquiries made to us here at the office. Advisories on Recent Board Actions I would appreciate the opportunity to discuss how certain recent Board activities should be described.
