**Subject:** Ida Dox and Janet Travell

Per your suggestion I called David Lifton to get Ida Dox's address; he explained he had sent this to Jeremy on 3/17/96 but I told him I didn't have it. You will have my Ida Dox and Janet Travell letters by Wednesday. Lifton follow-up: he indicated that he had called a Finck "witness" whom he mentioned in the e-mail Jeremy shared with you and me, and was now going to mail a tape of his interview, and a transcript which he says he has made of it, to Jeremy. Lifton asked me if I had seen the fax and article on the Stringer which he sent to Jeremy, and I said "I just now got it...someone put it in my in-box Friday when I was on leave;" so I was able to indicate awareness of it without commenting on its contents. I will read it carefully this week and make recommendations re: leads to pursue, as you asked me to do this morning. END
