Subject: Meeting with Jeremy

Now that the Board meeting is over and document review has been completed, I would like to relay some information to you concerning a meeting between Jeremy and I. We discussed the three memos that I prepared prior to the Board meeting. As follow-up work, Jeremy would like me to 1) re-review the CIA Request #1 materials and re-write the memo in a more precise manner; 2) review more of the Segregated Collection, i.e., material from boxes in the forties and fifties, and discuss with Barry the specific obstacles that he anticipates; and 3) review the Win Scott files in the Segregated Collection. I presume that I will need approximately three days at the Agency in order to complete these tasks. I also realize that Manuel and Chris need to review some records at the Agency, as well, and that we need to coordinate my visit with their visit.

Body: Please let me know when there would be an appropriate time for me to go.
