Subject: IRS follow-up letter

Joe -- I have drafted a paragraph for the IRS letter. I thought you could just insert it near the end of the letter. Please feel free to comment and suggest changes. I would also like to thank you for meeting with Jeremy Gunn and Laura Denk to discuss assassination records in the possession of the IRS and the status of IRS records under the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107 (Supp. V 1994). We are still quite interested in working with the IRS to include Oswald tax records in the President John F. Kennedy Assassination Records Collection at the National Archives. Once you have obtained more information about consent releases, please let us know so that we can continue to explore preservation options for IRS assassination records.
