Subject:	Request of DOS for verification of status of employees
Body:	In regard to our favorite HSCA/DOS record, you had referenced a while back that we would probably want to ask DOS for verification of the status of the employees (living/dead) before Board consideration of the document.Is this something I should communicate to Nina? Do you want to? Does it require a letter for David's signature? If so, would you like me to draft one for your/David's review?As I would still hope that this record could be processed at the Board's April meeting (assuming Chet is able to fix the problem that's preventing me from forwarding the document to you in Review Track), I wanted to make certain I was doing everything I should/could be doing to make that possible.
