Subject: Journal

I have looked at the Journals from the search you gave me and I think that an article in Science will be helpful. The Issue is October 8, 1992, 218(4568):127-33, Reexamination of acoustic evidence in the Kennedy Assassination, Committee on Ballistic Accoustics, National Research Council. I would appreciate it if you could get me a copy of this or tell me where I could get a copy. Thank You.
