PMSubject: Examination of files at CIAFYI:We (Christopher and I) tried to set up an appointment this week to take a look at the CIA request #1 files on JMWAVE and other topics, and to look at the Clay Shaw folders in the Segregated collection. Unfortunately, Mary felt that our time would be better served by staying here to handle a CIA visit to examine documents and to handle any administrivia which might come up in regards to the Federal Register notice. The Federal Register notice is due Tuesday and will largely be handled by Noelle and Chet.
