**Subject:** Dr. Karnei

I just spoke to Dr. Karnei by phone. He also has received our letter. He lives in Wytheville, VA. (pronounced "With-ville"); it is far away in southwest Virginia, he says, at the intersection of routes 88 and 71, between Roanoke and Bristol. Per your direction, because of the great distance involved, I asked him if he would be willing to come to our offices and talk to us, if we paid for his Hotel, etc. the night before. He seemed amenable, saying, "it can't be next week, because I'll be on vacation; let me talk to the person who will take over my duties for me, and I'll get back to you on when we can do this." Jeremy, I have given both Dr. Karnei (and Stringer) your name as a back-up, in case they call and I am not here. (I gave them your name since Tim is out this week.) Stringer wanted a name just in case something comes up and he can't be at home Monday for our call. I will inform Alcon when Dr. Karnei calls me back with a proposed date to come to DC.
