Subject: Confirmation Re: Dr. Jackie Hunt

CALL REPORT Issue # 26Who initiated the call? Review Board's representative in the call: Dave MontagueDescription of the Call Date: 04/03/96Subject: Confirmation Re: Dr. Jackie HuntSummary of the Call: Dr. Jackie Hunt's full name is Dr. Jackie Hansen Hunt. Hunt was born on 11/28/24 making her 72 years of age and her SS# is 463-34-0561. She retired from medicine on 06/17/92 and has moved a few times around Texas. I contacted her to weed out other possibilities. Hunt confirmed she is the same Dr. Hunt associated with the assassination and is surprised by such continuedinterest on the subject. She was cordial and seemed to be of sound mental faculty. I explained the nature of the Review Board and that she would possibly be contacted by other representatives re: medical information in the not to distant future. She asked to please feel free to either write or call her re: her role. Hunt just moved to a new address and recommended that any letter be sent using her PO Box number as well because her area doesn't have paved roads yet and if her street name is used, it will require her to travel about 1.5 miles to get it. I thanked her for the clarification, verified the address and thanked her for her time. Hunt's information is: Dr. Jackie H. Hunt HC10 Box 41-A Lower Willow Creek Road Mason, TX 76856 915-475-5280
