Subject: Bouck Interview
I discussed this with Jeremy. He has no objection to us sitting in and participating, but doesn't want to overwhelm Bouck with too many attendees when interview begins. Agreed solution: I will sit in when interview begins and we will ask him if he minds if others attend as well. If he seems comfortable with this, I'll come and get you guys. Otherwise, we'll play "tag team" with Joan, whereby I'll come out and bring you in when it's time to ask your questions. (Clearly the first choice is preferable...)
