Subject: Suggested Response to Lisa Pease e-mail

Thank you for your e-mail of April 9, 1996. As I am sure you are aware, staff members from the Review Board recently deposited Doctors Humes and Boswell. The Board is continuing its efforts to make the historical record related to the medical evidence as clear and complete as possible. This is an ongoing process and we are reviewing many different courses to pursue in this area. To ensure the integrity and the best results of our efforts to make the record as clear and complete as possible, we do not announce investigative steps in advance. However, we do appreciate the interest, input and suggestions from you and other researchers.
