Thank you for working on the numbering in the Determination Summary for the April meeting. Excepting 104-10021-10004, it looks fine. On that document the numbers are correct, but the postponements are listed out of sequence- 10 and 11, since they begin with the number one sort before Having another view in Archive would be helpful for processing the March meeting documents: BY MEETING; EXCLUDE RECONSIDERATION DOCUMENTS. Thanks again.
