Finally, DiEugenio told Anne that he thinks we should get all possible records which pertain to the operation of the International Trade Mart. He thinks that they may show in some manner Shaw's connection to the CIA. Lloyd Cobb was Shaw's superior at the Mart and DiEugenio thinks that records with Cobb's name may have Shaw/CIA (?) references. Jesse Core, also of the Mart staff, allegedly has said he was aware of Shaw's CIA ties and that Shaw used the Mart as a cover for his CIA activities.
