Subject: Vacation...
I submitted leave slips for my vacation on May 16-17th & the 20-21st...GWU is having two ceremonies (18th & 19th) for which my relatives will be in town & I'll be happy to spend some quality time with them...I am going through all my stuff to satisfy any time sensitive projects prior to my leaving the office & anticipate no problem tidying up my investigative matters...Dave 8-)
