Subject:	View Changes
Body:	I have created a new notation voting view called For discussion 1-4 votes. Here is the logic of the 3 discussion viewsALL Votes Cast.Includes any document marked for discussion and all board members have voted or marked as a non-voter.1-4 votesIncluded all discussion documents not in the above viewAt least 1 vote.Includes all the documents from both of the above views.These views should help you Noelle set up the discussion agenda.Good luck and please page me with any problems.
