**Subject:** Steve

followed up with a call. He said that there is no need for him to reserve a table. The research room people said they do not expect to be busy next week. The key is to get there as early as possible, preferably before 9 AM. Register as a team under Eric's name. It will be acceptable to bring green forms (worksheets). Show them in room 1000 when the students sign up for research cards. Ask for Calvin Jefferson, the research room supervisor. He knows about the green forms the students will be bringing. Steve will be in his office Monday morning if there is any problem, but he does have a meeting at noon.
