**Subject:** Outstanding items  
FYI only (I mean it!), items 1 and 3 of the e-mail below remain to be cleared. (Perhaps you'd like to work on them this weekend while I'm golfing in Pennsylvania?)Thanks for all the stuff you were able to clear for me this week. I appreciate it.To: Jeremy Gunn/ARRBcc: From: Joseph Freeman/ARRB Date: 05/10/96 05:23:10 PMSubject: Outstanding itemsFor your edification only, because I know the Board is in town Monday and Tuesday (and I am out Tuesday), here are the presently outstanding items in your in-box from yours truly: 1) draft letter to Tina Houston/LBJ Library, re: referred duplicate record 2) "New" draft letters to CIA/FBI, re: Garrison-era referred documents for clearing. (The CIA letter may need to be re-drafted in light of Tom's hope to include with it a handful of other documents that Jeff Morley would like to have us clear.) 3) Edits of Connally bullet fragments memo or, more likely, permission to withdraw the memo's "draft" status so I can give it to Noelle to file and otherwise close the book on it.
