**Subject:** SECRET COMMUNICATION-EYES ONLY

Noelle, Jeremy is trying to look out for you, because he knows its Federal Register time. When he saw my attempted tasking to you (the Hagan interview transcript), he asked me to try to diplomatically inquire with Tracy whether she could find someone else to do it. Hence, my E-Mail to Tracy. He also did not necessarily approve of me saying "no rush whatsoever." Somehow I feel like I have gotten caught in the middle of a developing problem...I hope not.I hope this doesn't create a problem between you and Tracy.Anyway, I'm operating "under instructions." Perhaps I used too much initiative again in trying to get the ball rolling on the transcript. Sorry, in advance, if this all gets too complicated.DESTROY THIS COMMUNICATION AFTER READING.
