Subject:	Letter to Joseph E. Hagan
Body:	1. Notice--I got his first name right today.2. I will be drafting a thank-you letter to him, which will have two other purposes as well:a. To formally provide all 3 documents to him which he said were missing from his files now (business document, casket turnover memo, and coffin card)--I only gave him 2 of these 3 at the deposition, and they were disfigured by highlighting.b. More importantly, there is a 3-page summary of Gawler's activities that weekend which has some important (and somewhat inconsistent) timeline information in it, some of it never heard before. We should ask him formally, in this letter, who wrote it, and when it was prepared.
