Subject: The roll around sciff computer.

Body: I would like to leave the SCIF computer on the current roll around cart. This would allow Jerrie to work out in her area on Secret documents. I would think until her foot is better that she would need some help rolling it out.The reason I bring it up is Jerrie asked me today when it would be moved back.Let me know what you think and if you could talk with Jerrie about it. Thanks
