**Subject:** Urgent fax for DOS  
Jeremy has approved this. Could you put it in proper form for faxing? I need to get David's signature before faxing--and I'd like to do this before his 11:00 meeting, if possible (!!!)I had some questions on two parts of the address, but if you don't have an address there, we can go with my first version, since it will be faxed anyway.Thanks so much!
