**Subject:** Will Johnson called  
and left a message that says he's 100% sure that you already have a copy of the Presidential recording log. He says it's too long to fax, but he'd be willing to overnight it if necessary (he didn't sound at all happy about the prospect). He also wanted to know whether State and DOD were signing on. I can answer to State, but not to DOD, and Tim's not in. What's the status of DOD re this trip?I'd like to call Will back as soon as possible, unless you'd rather talk with him.
