Hi there. Rob, our new intern, needs to have access to the DOJ library. I got him in there yesterday, but he is going to need to go back today. Would you do whatever it is you did last year -- fax his info. over to DOJ so that he can be on the list to get in. Would you also do whatever we need to do to get him on a list downstairs so that he can just flash his drivers' license and come on in?Merci!
