Subject: Joe Hagan
I read your e-mail on Joe Hagan's questions. The 3 Joe Hagan business documents we mailed to him were mailed to the Review Board by David Lifton. I do not know from where he got them. I checked my voice mail today--Joe Hagan called me on June 5 and asked me to call him and talk to him about the "testimony" he gave to us. (He sounded a little bit concerned on the voice mail message.) I do not know what he wants to discuss, but I can imagine it will probably be "when are we going to release the tape to the archives?" DO YOU WANT ME TO CALL HIM, or do you want to call him first (and give him the answer on where the documents came from)?
