Subject:	N002 clean up
Body:	Chet created the macro to change the name to release. I cleaned up the postponement details, but we still need to refresh the RIF, re-calculate the numbers for the vote, and re-number the postponements for the determination summary and the final determination form.If you want to get started on this before I arrive this morning, the draft notice is on my desk. The documents which are changed by the release are identified by "RELEASE" printed next to the redaction. There are about 24 to 26 such documents.Thanks.
