Subject: JFK Embalming Witnesses

Dave, can you do your best to find the 2 remaining JFK embalming witnesses (other than Joe Hagan, whom we have already interviewed)? David has been waiting for me to get the best information on their whereabouts from Joe Hagan, which I finally obtained today: John Van Hoesen lives somewhere on Cobb Island, Maryland, and his phone number is supposed to be: (301) 259-4343; Mr. Hagan told us that he is very hard-of-hearing, so I think it would be preferable if you could find his mailing address so we could write him a letter first. Thomas Evan Robinson formerly (until at least a few years ago) lived in Lexington, Kentucky at: 362 S. Mill Street Lexington, Kentucky 40508 (However, Mr. Hagan, his former supervisor, gets a "disconnected number" recording when he calls the former number for Lexington, so we don't know where he is now.) He is supposedly in the antique business now, and apparently has the following Virginia business telephone number: (703) 360-4252. We desire a mailing address for Mr. Robinson, also. Both witnesses are extremely important to our ongoing efforts to clarify the record of President Kennedy's autopsy.
