Follow-up on date re: research visit to the NPRCSummary of the Call:112th M/I & Medical ProjectsI left a  
message for W.G. "Bill" Siebert of the NPRC in St. Louis. He previously said we could visit his facility &  
review/copy records relevant to our mandate.\* I plan on arranging the trip for around the end of June, 1996.  
My understanding is that the tentative members of this team are: myself, Tim Wray & either Doug Horne or  
Chris Barger; or both. I should have a tentative list of research names ready by the end of the week. Siebert's  
telephone number is 314-538-4216
