**Subject:** Two items  
1) Kevin initialed the draft FRN (though he didn't have time to really proof it -- he says he trusts you and the previous print-out), as did I. Bob also checked it (he forgot to initial it, and says he has one minor correction). Bob gave it to Mary, which is where it was last seen.2) Can I retrieve the receipt I gave you for the Senate Intelligence Committee stuff I gave to Steve Tilley/NARA last week? What I need is the attachment which lists the actual record numbers in Box 41. Many thanks!
