**Subject:** AFPS News Story

**Body:** PRIVILEGED AND CONFIDENTIALATTORNEY CLIENT COMMUNICATIONI think the AFPS story is a good one. However, we have opened ourselves up for FOIA requests (such as on Powell). Although the information makes the story more interesting, I think we should avoid in the future giving out details regarding information that we are collecting that would make us vulnerable to FOIA requests -- unless we have made a conscious and vetted decision that we are willing to accept the consequences. I would also urge that we not say that we have refuted or substantiated any particular theory, particularly before we have completed our work.
