Subject:	Initial conversation w/ wife of the late Wilson Page of the 112th M/I Group
Body:	CALL REPORT Issue # 70Who initiated the call? Review Board's representative in the call: Dave MontagueDescription of the Call Date: 06/14/96Subject:Initial conversation w/ wife of the late Wilson Page of the 112th M/I GroupSummary of the Call:112th M/I Project: Wilson G. Page died in May, 1985; SS#224-26-0501; DOB=04/08/24 I spoke with Gussie Page today, identified myself & explained the purpose of the Review Board. Gussie confirmed that she was married to the same Wilson G. Page who was associated with the US Army's 112th Military Intelligence Group during the 1960's. I did not get into any specifics about why the Review Board wants to speak with Gussie. I informed her that she would receive an information packet re: the Review Board in order to increase her familiarity. I verified Gussie's information & thanked her for her time. Page said both Wilson & her were in Japan at the time of the assassination, but will cooperate. I told her that once she understands more about the Review Board, she'll understand that we're trying to identify as many possible assassination-related records for the Collection as we can. She did not express any objection to being contacted by ARRB staff, but said she has no records & didn't know what Wilson's occupation was while in the Army.* I'll send her an info packet & coordinate with Tim & ChrisGussie's information:Mrs. Gussie U.
