**Subject:** Possible Discussion with Blakey (Hard Copy with Attachment in Your "In" Box)  
As part of the pursuit for relevant BRILAB tapes, I think that someone needs to have a conversation with Blakey to get more details (including the names of FBI officials with whom he spoke) about his knowledge of the BRILAB tapes on which the assassination is discussed. I have attached the relevant excerpt from his book and highlighted a few items of interest. Perhaps if there are other matters that people want to Blakey about, BRILAB could be one of them. Otherwise, I think its worth calling him about BRILAB alone.
