Subject: Call To Georgetown's Special Collection Re: Don Cook information within Sprague Collection
CALL REPORT Issue # 9Who initiated the call? Review Board's representative in the call: Dave MontagueDate: 06/18/96Subject: Call To Georgetown's Special Collection Re: Don Cook information within Sprague CollectionSummary of the Call:Dallas Project:I spoke with a representative today & requested to do another search within the Sprague materials. I reminded the representative of my dealings with Director Marty Barringer last February. There will be no problem with my reviewing the material.* Doug Horne found a footnote in "Pictures of the Pain" which references an interview of Don Cook conducted by Sprague in 1967. It is hoped that a full name & address for Cook at that time will also be listed within the Collection. I've located the specific box & folder to check within the Sprague Collection index.I plan on traveling directly to the library in the morning & the search should take about 1/2 hour.
