Subject: Machado
John Machado just called to ask how he can get an HSCA disk with Secret Service records on it. He wants a list of RIF numbers for all the HSCA -Secret Service material that has been released. He said he had spoken to Martha, but she did not seem to know about it. Steve was not there when Machado asked about disks. If we can encourage him to set up his procedures for getting more Secret Service records RIFed and on databases, that would be a great step forward. I told him I would get back to him. I will be away from the office from June 27-July 2. We have asked the Secret Service to complete its first delivery of records--with RIFs and disks-- by July 15. Machado's number is 202-435-7006.
