CDTSubject: Review Board activityDavid: I've been meaning to send a message congratulating you and the staff on the real victory that we seem to have won in re: the Kennedy Library! I think it enormously important to have induced the State Dept. and the CIA to review/open records at the Library on Cuba (including on the Bay of Pigs and the Cuban Missile crisis). This goes far beyond our own work, and demonstrates the usefulness of this sort of model in terms of getting federal records open! Good show! On another matter, I wonder if perhaps Tracy did not receive a message that I sent her last week. Could I impose on you to deliver it (in some form!) to her? Many thanks! --Bill
