Subject:	More St. Louis prep... :-)
Body:	I've added a bunch of stuff to our list which includes everything I could find through various references (as well as Tim, Doug & David) & need you to see if there anything else you can add that I may have missed...Some names were for a DOD project I did with Joe, but I included them just in case...I need to fax a version (minus project & status columns) to NPRC this afternoon...Thanks
