**Subject:** Next Board Meeting  
I am hoping that our next Board meeting is extremely productive. Would you please identify for me (by e-mail): (a) your best estimate of the number of documents that you will have ready for Board review; (b) any problems that you anticipate regarding Board review; and (c) whether you have any records that you may want to have the Board designate as assassination records.Mary and Phil: would you please provide me with an update on where we stand with our requests for additional information and records (i.e. FBI-1, CIA-1) and anything we should be doing to further the process.Mary, Phil and Tim: do you have any additional suggestions for requests for additional information and records that we should be making to the appropriate agencies?
