Subject: Groden Scheduling Conflict

Robert Groden just telephoned. He told me that he and his attorney have been trying to postpone the divorce hearing set for Monday, but that Groden's wife's attorney has not responded to telephone calls. He asked me if we could begin the deposition on Tuesday and continue on Wednesday, if necessary. I told him that I would have to talk to Jeremy and that we would call him back.I asked him what time the divorce hearing was scheduled and he told me it is scheduled at 9:00 a.m., but that his lawyer is not available until later in the morning for the divorce hearing (?). In any case, he does not know what time on Monday he will be out of the divorce hearing.
