Subject: Powers Film

Body: Hs the JFK Library given us any sense of when we will get the videotape copy of the Powers film? Dubbing a tape should not be a time consuming matter. Following the receipt of the videotape, I would like to pursue having the Archives make a film copy of the original. As I mentioned, I could personally hand carry the film from the JFK Library to the Archives and back, after the work is done.Please advise me of your thoughts.
