MISCELLANEOUS ACTIVITY Issue # 50Document's Author: Dave Montague/ARRB Date Created: 07/08/96Description of Activity Subject: Confirmation re: Jane RomanDescription of the Activity:CIA Team I found some information on retired CIA employee Jane Roman who worked at CIA headquarters at the time of the assassination. There are 3 possibly current addresses for her: The strongest possibility for her is in MA based on another financial reference linking her DC property to MA. Jane A. Roman was born on 12/06/15 & has a SS# of 085-05-5608 which was issued in New York. The name "Rose Scharf" is associated with her SS#.Jane's husband named Howard E. Roman died in December of 1988 & he was associated with the 1st address as well as the 2nd one. His SS# was 033-20-3116 (issued in MA) & DOB was 12/06/16. A Death Claim was filed for him. * The property is under the names Howard & Jane Roman; the market land value & the market improvements bring the value of the property to approximately \$403, 565.00 (as of April, 1995) according to various sources. It is a residential single family home located a few blocks from American University. The house occupies about 2,600 square feet & the land occupies about 6,300 square feet. * I found no current phone listing for either of the addresses & no record of her death.
