Subject: 3 or more view
The 3 or more view still needs some work, so you will need to use the one or more for this meeting. Some points I need to make the view.Is it 3 or more voting for discussion (3 votes for discussion)or is it at least 3 people have voted and at least 1 has voted for discussion.If you could get an answer for me it would help with the coding.thanks in advance and good luck on your last meeting Noelle.
