Subject:	Laura Bell-Army intern-Software Problems
Body:	I just tried to call Laura Bell so that I could refer her to the appropriate people at NARA re:disc and software problems experienced in trying to create RIFS. Like everyone else in this town, all I got was voice mail, and the name on the voice mail was NOT Laura Bell's.I left a message for Laura Bell to call me, for help with her software problems vis-a-vis RIF creation.If she ever calls me, I will tell her to call:Ramona Branch (301) 713-6620 EXT 363; orRoland Bordley (303) 713-6620 EXT *500 for help. I also left a message for Ramona Branch warning her that someone from the Army may be calling for assistance.
