**Subject:** HSCA RIF Numbers  
I believe there is an error in our data base on certain RIF numbers. Certain HSCA records with the RIF number 180-1001-104885 and 6 are actually in the collection under 180-10097-10045, 6. This is in Box 6, 000166. It is likely that there was an error made when the document numbers were typed into the data base as the documents match up otherwise. I believe this might clear up certain difficulties when searching for documents.
