Subject: President Ford

Penny Circle, Ford's Chief of Staff, called back to say that Ford cannot appear at the LA hearing because he is out of the country, from roughly September 12-25. Circle had passed your letter along to Ford and when she came into her office this morning he had left the letter for her with a note saying "Regrets - Overseas." She had forgotten that he was going to be out of the country. Because he cannot do it because of his schedule, she did not have a conversation regarding whether or not it was something in which he was interested.
