**Subject:** Veciana/questions

**Body:** Hear ye, hear ye:Jeremy has determined that our approach to Veciana will be as follows:We will make our initial contact with him by US mail. Our letter will:1. Introduce him to our organization, ie our mandate and our powers,2. Ask for his cooperation in pointing us to any records and/or information that might be of interest to the board,3. Outline several issue areas/ask questions which, in the opinion of the ARRB staff, would help complete the historical record.4. Inform him of our desire to talk about these topics (on the telephone) in the near future.We should still plan on having a brainstorm session on how to manage this project on Friday.
